

SHIPMENT:

Countries	We are well equipped to deal with the global community. If your courier services your location, we can go to work for you right away. With Email, scanned pictures, and the rest of the electronic age, you get service that is just like being in our head office.
Shipping Area	<i>I know Impression is based in Canada but what if we are outside Canada?</i> Our firm ships all over the world.
Delivery	<i>How fast can I get my order delivered?</i> Your completed orders are delivered as fast as your chosen carrier can deliver them.
Rush Delivery	<i>Can I get my order in a hurry?</i> Each Product requires a different shipping schedule.
Multiple Shipping Addresses	<i>The order I am placing is for all of my branch offices combined. Will you ship to each individual office for me?</i> Yes. We can accommodate all your shipping requirements including split shipments and out of country destinations. Please inquire about the cost of this service.
Shipped From	<i>Where is the merchandise shipped from?</i> Impression's manufacturing plant is located in Toronto, Canada.
Shipping	<i>How soon until my order is shipped?</i> PLEASE NOTE: Production time does not begin until all artwork is approved by you. Shipping is charged to your courier account number, or applied to your credit card.
Shipping Advice	You will be sent an Email indicating the date your order was shipped, which shipping company we used and a tracking number if available, so you can monitor your own package's delivery status.
Shipping Charges	Prices do not include the shipping and handling charges. All merchandise is shipped F.O.B. our Toronto, Canada warehouse. Shipping costs will be billed to your courier account or will be prepaid and added to your invoice. An estimate of these charges can be given during the order authorization process before your goods are shipped.
Shipping Cost	Shipping prices vary depending on the courier and delivery service which you choose.
Shipping International	We are able to ship to most countries around the world.
