

## ***PRICING and PAYMENT:***

Credit Cards Accepted	<p><b>We accept VISA and Mastercard.</b></p> <p>As all credit card orders require a signature by the authorized cardholder, please print this <a href="#">Order Form</a> and Email your order form to Office@Impression.Ca for a secured authorization. All credit card information will be kept strictly confidential.</p>
Payment	<p>Your valid credit card information is required before production starts.</p> <p>Your credit card is charged the same day your merchandise is given to your delivery service.</p>
Payment Secure	<p>All customer payment information is received by Email, and kept confidential by our office staff.</p>
Other	<p>You may also prepay for your merchandise by:</p> <ul style="list-style-type: none"> <li>- Bank draft / Bank Transfer</li> <li>- Bank letter of credit</li> <li>- Certified cheque</li> <li>- Postal money order</li> </ul>
Price Breaks	<p><b><i>If I order a quantity between columns, which price do I pay?</i></b></p> <p>In-between quantities will be invoiced at the lower quantity price.</p>
Prices	<p>The price table is per piece or per unit without enhancement.</p> <p>All prices quoted on our website do not include any enhancement, shipping costs or taxes and are subject to change without notice.</p>
Setup Charge	<p>Most items require a custom plate or screen to be made in order for your products to be imprinted. These charges are calculated per colour of imprint. The normal setup/plate charge is noted on our price list and is based on a size of up to 3 square inches. Other stamping die sizes could be available at an extra charge. If the same design is used for a <b>repeat order</b> there will be a reset up cost, which we will advise you of.</p>
Custom printing	<p>All items listed are priced for a blank product. Enhancement is available for your custom imprint.</p>
Extras	<p>In Canada we collect the GST. Merchandise shipped outside of Canada does not have any taxes added to the invoice. Shipping costs are extra.</p>
