Jade Or Starfire Crystal Business Card Holder

Glass Business Card Holder made from your choice of Starfire or Jade.

STARFIRE: This crystal is lead free with a low iron content which equals to an extreme clarity. Due to this clarity the highly polished bevels and edges create a beautiful reflection, with a slight blue sparkle.

JADE: The iron ore content in the silica sand used to produce Jade crystal results in the distinctive green tint which has become so popular. Jade crystal is very hard, facilitating steep bevels and is capable of being finished to a very high polish level.
